New Car Warranty

Content and duration of the warranty

Coverage applies to all parts of the vehicle

The following items are always excluded from warranty coverage:

- ✓ Exhaust systems
- ✓ Filter inserts of all types
- ✓ Illuminants/headlamps/lamps of all types (incandescent lamps, xenon lamps, LED) incl. their components/housing
- ✓ Batteries
- ✓ Wiper blades
- ✓ Ignition and spark plugs
- ✓ Vehicle keys
- ✓ Lubricants and coolants
- ✓ Parts not approved by the manufacturer
- ✓ Brake discs
- ✓ Brake pads
- ✓ Brake shoes in brake drums
- ✓ Brake drums
- ✓ Clutch plates and clutch pressure plates
- ✓ Tires
- ✓ Third-party parts or accessories that were not installed by the vehicle manufacturer

General terms and conditions

Scope: The warranty provides indemnification for repair of the covered parts by replacement or repair including labor costs based on the labor time values set by the manufacturer. If the repair costs exceed the value of a replacement unit, then coverage is limited to the value of that replacement unit including removal and installation costs.

Diagnostic time: In case of damage covered by the warranty up to max. 2h

Labor rate of warranty (per hour): the customer's hourly rate and according to the manufacturer's labour time values is applied.

Material & Parts costs: Material costs covered by the guarantee will be reimbursed at a maximum of 90% of the manufacturer's recommended retail price (MSRP) reimbursed.

Warranty conditions: Applicable General Terms and Conditions

Duration of warranty: The New Car Warranty begins with the date the vehicle is declared as being used on the road and ends when reaching a total of 100'000 km from initial registration or after a period of 24 months, 100'000 km from initial registration or after a period of 36 months, 120'000 km from initial registration or after a period of 48 months or 150'000 km from initial registration or after a period of 60 months, whichever comes first. It shall not be renewed after expiry.
